HANDHELD PC DOCKS

POWERED DOCKS FOR HONEYWELL CT50, CT60 & CT60 XP

RAM® Mounts offers a wide variety of ruggedized mounting solutions for Honeywell mobile computers, printers, barcode scanners and more. Utilizing our form-fitting cradle design, securing your device wherever you need it has never been easier. The versatility of the RAM® mounting system allows you to efficiently move your device between your car, desk, forklift, and much more. Allowing for near-infinite adjustability as well as vibration damping, the RAM® double ball and socket system provides maximum versatility and helps to extend the life of these devices.

SCANNER HOLDERS

Different types of scanner guns need different types of mounting solutions. Between the RAM® Drop-N-Lock™ and the RAM® Power-Grip™, we have effectively provided holders that cover a wide variety of scanner guns of different shapes and sizes. All RAM® Mounts Compatible™, these scanner gun holders have thoughtful design choices such as elastomeric fins that keep the scanner in place but are easy to remove when working fast.

PRINTER HOLDERS

RAM® Mounts always doubles down on universal mounting solutions, and Honeywell printers provide a convenient shape to house such mounting solutions. Our RAM® Quick-Draw™ Jr. holders utilize spring-loaded grips that extend to fit nearly any size of Honeywell printers. Pair these holders with any B or C size RAM® mounting components for the ideal kit in the field service and material handling spaces.

VEHICLE MOUNT COMPUTER SOLUTIONS

Build any heavy duty mount for your Honeywell Vehicle Mount Computer by selecting any:

1

CHOOSE A BALL ADAPTER

RAM® offers a wide selection of ball adapters and cradles for your specific device.

2

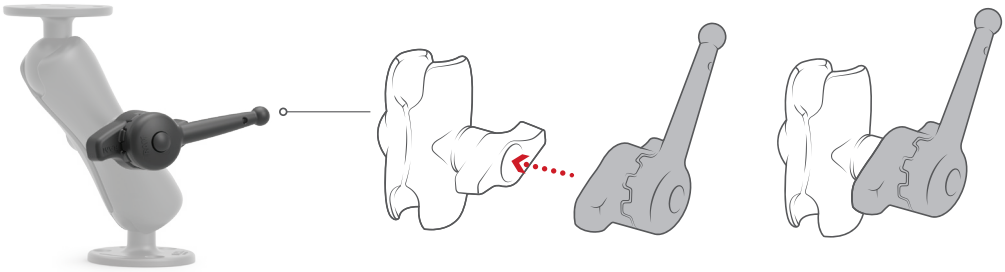
CHOOSE A SOCKET ARM

Select a socket arm based on your desired length and placement.

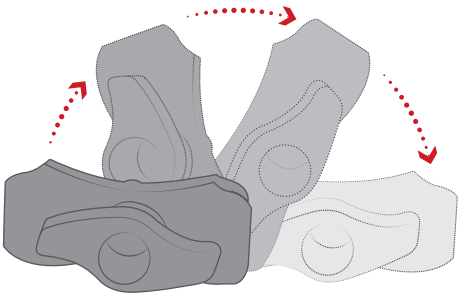
3

CHOOSE A BASE

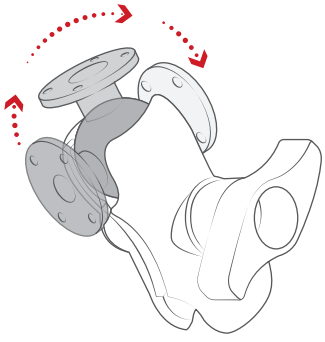
Select from a variety of bases to help secure your device where you need it.



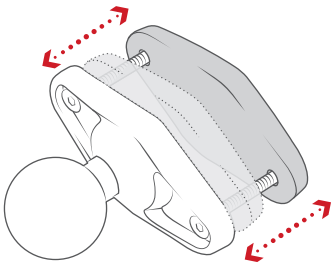
This wrench provides the extra leverage needed to tighten the mount in cold weather or in small spaces.



Double ball and socket technology allows for near-infinite adjustability of your RAM® mounting system



Included D size 2.25” RAM® rubber ball allows for connection to any D size RAM® double socket arm; ball and socket technology allows for near-infinite adjustability



Easily adjustable

UNIVERSAL HOLDERS & MOUNTS

RAM® FINGER-GRIP™

Doubling down on our “universal first” approach, handheld devices of all kind benefit from the patented RAM® Finger-Grip™, equipped with adjustable and movable “fingers” to modify the grip of the holder to accommodate various sizes of Honeywell handheld PC devices. Each flexible finger of the RAM® Finger-Grip™ moves to form perfectly around the device—simply push your device into the holder and the fingers expand to grip the device on all sides. Top and bottom leg supports are also adjustable based on the height of the device making this an ideal choice for a multitude of mobile device mounting
